

2011 CHAPTER OF THE YEAR

Over 100 GWRRA members call IN Chapter A2 their home. As one big happy family they enjoy dinner rides throughout the year on every Wednesday evening except the third Wednesday of the month when they gather at Arnis Pizza in Lebanon, Ind. for their monthly meeting and get together. This group of fine people have been together for over 20 years and enjoy working together on themes for Winter Rendezvous and for Spring Wing in Indiana where they have won numerous awards for their float ideas, table decorations and for having the most pre-registered for the conventions. This chapter participates in other chapter's functions and enjoy helping out wherever they are asked. There are many talented people with imaginations out of this world and can come up with some terrific ideas and can overcome disasters that could ruin some people.

We have a lot of FUN throughout the riding season going on weekend trips or just a daily ride through the country. Looking for a

good restaurant or just some ice cream is all it takes to make good fellowship together and an enjoyable Gold Wing Ride.

If you get a chance to visit our chapter you will see what we mean by friends that enjoy GWRRA and each other. So get on those bikes and visit the newest Chapter of the Year in Lebanon, Indiana. Ride Safe
