Trio of Friends for Fun

Send Your Instructors to Camp

Your Region D Rider Education Program is asking for your help. Throughout the Region we are training new Rider Coach Instructors to run our GWRRA ARC, TRC, Sidecar and Trailering Rider Course Program. Our goal is to expand our Rider Course Training in all 3 Districts giving our membership more opportunities to get Rider Course Instruction. This training saves lives and is our “#1 Goal”. To reach this goal we need to train more Rider Course Instructors and we are asking for your support to do this.

When a member makes the commitment to become a Rider Course Instructor they have to pass a 5 day, 40 hour training course called the “Rider Course Instructor Certification Program”. The Course costs \$100.00 plus they need to take time off work and pay for their own lodging and expenses. Knowing that they will never be paid to teach a Rider Course, they do this because of their dedication to our membership in wanting to provide them with the best motorcycle training possible. We are fortunate to have these outstanding members in our Association.

During their service as a Rider Course Instructor they will volunteer hundreds, if not thousands, of hours training our membership for free. The \$100.00 we charge for the program barely pays for the training site and materials. We are starting a campaign called “Send your Instructor to Camp” to award scholarships to reimburse the Instructors expenses when taking this training course. All funds that the Region Rider Education Program receives will go into this new fund. It will be posted on the Region Website indicating how much money we have raised the scholarships awarded. This scholarship fund will solely be used to reimburse our Instructors expenses when taking this training course for all 3 Districts. If every member that has ever taken a Rider Course in Region D donated \$5.00 a year to this fund, it would pay for the lodging and travel expenses these instructors occur when taking this training course.

There are several ways you can help:

- By participating in the Rider Education games and silent auction at the Region D Rally.
- By having your Chapter put on a fund raiser for this campaign.
- By personally donating directly to the fund.

Send your donations to...
GWRRA, Region D
238 Laurel Drive
Valparaiso, IN 46383

Thank you for your support of this worthy cause.
