

John and Laurel Kuehl are GWRRA Life Members from Northwest Indiana, where they have lived their entire lives, except for a couple years when John was in the military and they lived in Germany. John and Laurel's home is about 50 miles from downtown Chicago, and only about 15 miles south of Lake Michigan. They have two grown sons, one grandson and their grandson's sister. The extended family consists of 14 nephews and grand nephews, so the poor little girl doesn't have a chance.

Since joining GWRRA in 1987 Laurel and John have had a fantastic journey, starting with Chapter A in Portage, Indiana and then becoming Charter members of Chapter Q2 also located in Portage, Indiana, their home chapter. Serving in many positions over the years, they were Chapter Educators at Q2, and then moving into the Chapter Director's position. After a short break of being officers they returned as Chapter Educators for their home chapter. Then they became the Assistant Indiana District Educators, moving into the position of Indiana District Educators until becoming Assistant Region D Educators, and currently the Senior Region D Educators.

Their journey in Rider Education has lead to Laurel and John becoming "Life Grand Master Tour Riders", MFA Instructor Trainers, UTDP Instructor Trainers and Seminar Instructors in the GWRRA University programs. John is also a Master Instructor in the rider course programs.

They look forward to continuing their journey by serving all of GWRRA members with a World Class Rider Education Programs.
