

REGION D'S MEMBER ENHANCEMENT COORDINATORS 2014-2015-COUPLE OF THE YEAR

We are from Huntingburg, a small town located in Southern Indiana, where Gary has worked for the City of Huntingburg for 19 years and is the Foreman for Water Distribution.

Carol just retired after working for ten years for Jasper, IN at Memorial Hospital in the Patient Financial Services.

We have been married for eighteen years and have five adult children, ten Grandchildren, and one Great Granddaughter. Our seventeen year old granddaughter, Shawna Kay, has lived with us since May of 2013. We also have two small Poodles, Roxie and Rudiee, that we rescued from puppy mills.

We joined GWRRA in 2005 and found chapter IN-M, two years later. In 2009 we became Membership Enhancement Coordinators for our chapter, a position we still hold today and Carol was Chapter News Letter Editor for four years. Since then we have held several different offices at the Chapter and District levels of GWRRA. We are presently Assistant District Directors for Southwest Indiana and our new position is Region D Membership Enhancement Coordinators. In September we will be honored to represent Region D at the International Couple of the Year selection at Wing Ding.

When we were selected as Couple of the Year for our Chapter we realized what an honor it was and knew that we would represent our chapter at the District level. We enjoy representing Indiana as the District Couple. And now we are Indiana, Ohio and Michigan 2014-2015 Couple of the Year for Region D and looking forward to representing Region D at 2015 Wing Ding in Huntsville, AL.

Both of us are looking forward to having a fun working with everyone as Region D Membership Enhancement Coordinators.

Gary and Carol Meyerholtz
Region D MEC
2014-2015 Couple of the Year
