

I'm Leon Rogers from Greenville, Oh. I'm 66yrs old, I have 3 children, two boys and one girl, eight grandchildren, and 2 great grandchildren. I have been a member of GWRRA since 1986. I started out as a charter member of Chapter R out of Greenville, where I was CD for 5 years. Then I moved to Chapter F out of Fairborn and was CD for 2 years. I was an assistant district director and now a region treasurer. I have attended all Wing Dings since 1987 missing only one year, 1988. I was also Chapter Couple for 1 year. I owned my own business for 30 years and also have been on Greenville City Council for 10 years. I have been a level 4 rider and in February of 2016, I'll be a life grand master. I started riding in 1975 on a Yamaha 500, then a 1000cc 1978 Godwing in 1980, then went to 1000cc 79 Goldwing, then found a 1200 84 Goldwing sold the 79 to get it. In 1986, I was headed to work when a car pulled out in front of me totaling the bike out. So then I bought a new 86 1200, put 63 thousand plus miles on it. When that red 92 1500 came out, I had to have it. I put 120 thousand miles on it, had neon and strip lights put on it (hence the name Neon Leon at all the light shows.) In 1999, someone from South Carolina wanted to buy it, so I said goodbye and bought a new 2000 1500 and had it triked. In 2001, bought a Yellow 01 1800, and lit it up with LED lights, with 80 thousand plus miles on it, sold it and bought a 1800 09 Yellow trike, which I ride now. I enjoy every ride I can get. This also includes Rallies, Wing Dings, or any weekend event I can get too. I also have ridden in all lower 48 states, and 3 provinces of Canada.

My name is Tracey Enicks I'm 45 year old from Greenville, OH. I'm a single mom with a 16 year old son. He is the love of my life. Leon and I got together about 3 and a half years ago when he asked if I wanted to ride the bike with him. I said yes. I have always loved riding. I rode dirt bikes as a kid. I had so much fun going different places and riding, that I decided to get my license along with my brother and sister-in-law. We took the weekend course at Honda in Troy. I have a 97 Suzuki Savage 650. I think I'm ready for a big girl bike though. I have been an associate member for 3 years at Chapter F out of Fairborn. I was the MEC for 2 years. I have been Couple of the Year as well. I enjoy every minute of GWRRA; the rallies, Wing Ding, and just weekend activities in general. I soon will make it a family, me by adding my son to GWRRA (also known as family to me). My chapter has been there and very supported, especially when my mom passed away 5 months ago. I have met a lot of people that I consider family and friends. I don't plan on going anywhere to soon.
