

Roger & Linda Marling

Roger and I joined GW in 2004 after buying our first Gold Wing. We joined the Columbus Indiana Chapter W. We have held chapter positions of The Goody Store, Couple of the Year, Ride Coordinator, and ACD. Roger has worked for the Indiana State Excise police for the past 11 years. Before closing in 2009, I worked for Arvin Meritor, an automotive plant for 8 years. After closing I decided to go back to school and make a career change. I'm finishing my last semester towards my AAS Medical Assisting Degree. I have two teens still living at home. Dustin (14yrs), and Samantha (15yrs). Roger has 2 children Eric (31yrs) we lost him due to complications of cerebral palsy in 2001. Christy (28yrs) a successful head of nursing at The Waters in Seymour. Roger also has his first grandchild Eric Andrew (8mo). Our hobby together is of course ridding the motorcycle. We enjoy traveling to new adventures when we can. Roger also likes golfing, and NASCAR. I enjoy horses whether it's ridding or enjoying their company. We both like being outdoors (in the summer that is) we are hermits during the winter. Chapter W has become a part of our family since day one, and we look forward to enjoying all of our GW family for many years to come.
